

B-FWM Wall Mount for Sonos Beam

*Sonos is a registered trademark of Sonos Inc. Flexson is not affiliated with Sonos Inc.

Manufactured from steel and finished in either black or white this practical design will enable you to securely mount your Sonos Beam to your wall. There are two fixing points to make sure the Beam stays in place and plenty of access to route the cables you need.

- Simple installation, constructed from high grade steel to securely hold a Sonos Beam.
- Bespoke design securely holds the Sonos Beam
- Access for easy cable routing
- Precision engineered. Quick and easy to fit
- Available in black or white to perfectly match the Sonos Beam
- High grade-steel construction
- Designed and manufactured in the UK
