PrimeSupport Helpdesk

Helpdesk support services are available Monday to Friday 09:00-18:00 CET, excluding Local National Holidays. The multilingual team (English, French, German, Italian and Spanish) provide access to product specialists, who are able to advise and act as the first point of contact for Service & Support enquires. Where diagnosis cannot be made by the helpdesk, the issue may be escalated to a senior specialist.

Elite packages can be purchased up to a maximum of 5 years after the initial purchase of your unit. In the event of a technical issue, we'll keep you up and running with PrimeSupport Helpdesk access and our advanced exchange service that includes all shipping costs.
