Unpack and check contents: Inspect the Flat Screen Table Stand carefully for shipping damage. If any damage is apparent, call your carrier claims agent.

CAUTION: **The maximum weight to be installed on the FSB018 is 20 lbs (9 kg). Do not use a power screwdriver to install screws. Use a hand screwdriver to prevent damage to your monitor.**

NOTE: For 75mm VESA mounting, perform Step 1 first. For 100mm VESA mounting, perform Step 2 and Step 3 first.

For 75mm VESA Mounting Pattern
1. Secure the 75mm adapter bracket to your monitor using four M4 x 6mm Phillips head screws (provided) (see Figure 2).

For 100mm VESA Mounting Pattern
2. Install 100mm adapter bracket using four provided M4 x 6mm or M4 x 10 Phillips head screws (see Figure 3).
3. Secure the 100mm adapter bracket to the 75mm adapter bracket (see Figure 4).
